If the qualifications are not filled by contestants with dollars won leaving open positions; the remaining openings will be filled by a random draw of card holders then semi-pro card holders. If there are still open positions, all remaining openings will be filled by a random draw of permit holders.
2. Turn Out/Alternate Procedure: Contestants who have originally entered and were eligible at time of entry but were drawn out will be added to an alternate list. These contestants will be notified of any turn-outs or doctor releases and be given the option of re-entry up to the 24 hours prior to rodeo turn out deadline. If stock has already been drawn they will draw stock from a pool of animals consisting of all turned out stock and all re-ride stock for that performance.
3. The spares will be used in the case of a re run. Will not run cattle back in the timed events.
4. *If a contestant notifies a turn-out, DR or visible release and is replaced by an alternate, the alternate contestant will be responsible for the entry fees. If the contestant that notified the turnout or visible release is not replaced by an alternate, they will be responsible for the entry fee.
