

Ground Rules:

Only actual contestant and one companion allowed gate access. Contestants must check-in with the secretary to get a companion pass.

Co-approved with Prairie Circuit

All contestants: Free indoor stalling is available on a first come first serve basis. Note these are on concrete and outside shavings are allowed. No tie-outs allowed. An exercise pen will be available in the warm up arena. Hospitality is open to contestants and families before and after every perf. and slack.

No one including contestants, is allowed on the arena floor once ground has been prepared prior to the start of the performance.

Parking: All contestant vehicles and trailers are allowed to park on the grounds in Lot A. Electrical hook-ups are available on first come first serve basis. Water is available to fill up.

Slack Order: GB, SW, TR, GBK, TD

Horses: All horses (including KS and MO) must have an accompanying current (30 days) Certificate of Veterinary Inspection and Negative Coggins test (1 year). CVI and Coggins test are to be in accordance with current state requirements and/or rodeo ground rules. The Rodeo Veterinarian will be checking papers onsite. Only healthy livestock are allowed on the grounds. The Rodeo Veterinarian may perform a health assessment on any animal in question and will have final say on whether or not the animal may be on the grounds.
