1. SB, BB, BR Qualifications: Maximum 48 based on top 50 blended CPRA/PRCA standings as of July 10, 2025. Remaining positions if any of the qualifications categories are not filled by contestants within the top 50 blended standings will first be filled by the top 20 contestants from the 2024 CPRA standings, followed by contestants with the 2025 dollars won and the remaining filled by a random draw of full carded members then semi pro, and then permit holders. Each event will run in one section each day regardless of number of entries for the day

2. SW, TDR, TR, LBR, BAW Qualifications: Maximum 75 based on top 100 blended CPRA/PRCA/WPRA standings as of July 10, 2025. Remaining positions if any of the qualifications categories are not filled by contestants within the top 100 blended standings will first be filled by the top 20 contestants from the 2024 CPRA standings, followed by contestants with dollars won and the remaining filled by random draw of full carded members, then semi pro and finally the permits. Each event will run in one section each day regardless of number of entries for the day
3. Re-Entries all event: if needed, will be accepted for available positions 48 hours after entries close from 10am-12pm. See rodeo entry information on rodeo schedule. A contestant that re-enters will not be placed in a position that conflicts with his position at another association, rodeo, or event.
4. Alternate Procedure: Contestants who have originally entered and were eligible at time of entry but were drawn out will be added to an alternate list. These contestants will be notified of any turn outs or doctor releases and be given the option of re-entry up to the end of workday first day of the rodeo. After the end of the workday of the first day of the rodeo it will flip to a walk-up replacements list. Contestants on the replacement list will then be given the option to be put into that open spot 90 minutes before the rodeo if they give notice to the secretary's office at the rodeo. If stock has already been drawn in the rough stock, they will draw stock from a pool of animals consisting of all turned out stock for that performance and all re-ride stock for that performance.
If a contestant notifies a turn out, DR or visible release and is replaced by an alternate, the alternate contestant will be responsible for the entry fees. If a contestant properly doctor releases they will not be responsible for entry fees. The alternate contestant will also be responsible to pay entry fees. Also, if a contestant turns out and is not replaced, he will receive a \$250 fine (does not include DR's and VR's).
