See rodeo entry information on rodeo schedule. A contestant that re-enters will not be placed in a position that conflicts with his position at another CPRA rodeo or event. Additionally, if all spots are full on initial entry, a contestant that re-enters will be added to the alternate list (where accepted) but will be placed at the bottom of the list below those that entered on original entry day regardless of qualifications.
- Standardized Alternate Replacement Procedure will be in place for this event based on CPRA 2026 Rulebook (standardized groundrules)
- Walk up Replacement (implemented for 2026 season) will be in place for this event based on CPRA 2026 Rulebook (standardized ground rules)

*** Any contestant that is a replacement will be responsible for entry fees. Any contestant that notifies a doctor release, visible release, vet release, draw out, or a notified turnout will still**

be responsible for any entry fees they would incur regardless if replaced or not. Doctor releases are not responsible for entry fees as an example.

In timed events, in case of escaped cattle, the spares will be used. No run backs.
