- Contestants, stock contractors and contract personnel do not need a PRCA/WPRA membership to compete/work rodeos within the Maple Leaf Circuit unless they want to compete/work at the NFR or National Circuit Finals
- Money won at Maple Leaf Circuit Finals will count for 2027 Canadian and World Standings unless a contestant does not have their Circuit Rodeo count and are competing as an invited fill in.
- If not enough contestants to fill contestant list have competed at their required rodeos, the CPRA will role back to the top of the MLC standings and fill in members with the highest ranked contestant without rodeo count. **(Money won will not count to the 2027 CPRA/ PRCA/WPRA standings or be eligible for NFR open position without meeting rodeo count requirements)**

Advancement to the NFR Open:

- The Maple Leaf Circuit will advance 2 representatives to the NFR Open in Colorado Springs (The MLC Finals Average Champion and the Overall MLC Champion) and they must be 2026 PRCA/WPRA members.
- If the same person is both the Average and Year End Champion, they will represent the Average winner position and the next highest ranked eligible contestant from the year end standings will represent the Year End Champion.
- If there is a tie for the Average championship and one of those tied is also the year end champion, that contestant will advance as the year end champion and the remaining tied contestant will advance as the average champion.

- In the event that Average Champion is not eligible to advance to the NFR Open the opportunity to advance will fall to the next qualified contestant in the Average standings.
